A Report on Celebration of Kite Festival-2023

Makar Sankranti is a Hindu festival which celebrated on 14th January every year. In this festival, we observe the transition of the sun into Capricorn. Children enjoy this day by flying kites and eating sweets. Moreover, Makar Sankranti is the celebration of the harvest festival. We all know that spring is the most pleasant of all seasons. It is accompanied by pleasant weather, calm winds and a sunny but not scorching weather. All of these reasons together make spring the perfect season to grow crops and sustain high crop yield.

The 'Kite Festival' was organised on 13st January, 2023. Dr. Y. C. Rotliwala (Principal, PSE), Dr. Jayesh Shah (Principal, Diploma Studies) & Dr. Kandarp Joshi (Vice Principal, Diploma Studies) joined the celebration with all the faculty members, staff and students.
