About College: Under the aegis of Pacific Education Trust, Ahmedabad, Pacific School of Engineering (PSE) was established in 2012 stimulated by renowned group from Udaipur, Rajasthan. PSE is located at the center of Surat, Navsari and Bardoli towns and commenced education in degree engineering and diploma courses. The Institute is approved by AICTE and affiliated to GTU. The campus is well connected by a fleet of buses to all parts of the city. PSE offers following courses:

Bachelor of Engineering: Chemical, Civil, Computer Science & Engg. Electrical and Mechanical.

Diploma Engineering: Civil, Electrical and Mechanical.

About Department: Department of Applied Science plays a vital role in an engineering college catering to the teaching of basic Science and Humanities courses for engineering students of all branches. The purpose of applied sciences in Engineering study is to lay a strong foundation of basic principles of various disciplines such as mathematics, Physics, Chemistry and Communication Skills in the mind of the learners, so that they proceed to rest of their years of study with up to date knowledge and training of basic engineering skills. The Department of Applied Sciences and Humanities acts as a fertilizer to develop a good base for student's studied, personality and skills. This department is the backbone of all disciplines in Engineering and Technology.

About the Seminar: A one day seminar will cover language proficiency, grooming, public speaking & effective communication with certification.
